Inside, the Kia Rio offers a straightforward and functional interior, designed for practicality rather than luxury. The cabin accommodates four to five passengers comfortably, with a focus on durability and ease of use.

- Dashboard: Clutter-free with easy-to-read gauges and controls, often with a monochrome instrument cluster.
- Materials: Hard plastics predominate, which are durable but may feel less refined compared to more expensive competitors.

- Highway: Around 30-35 mpg
- These figures make the Rio an economical choice for budget-conscious drivers, with low operating costs and good mileage.

Standard safety features on the Kia Rio (2001-2004) include:

- Dual front airbags
- Seatbelt pretensioners
- Child safety locks
- Basic anti-lock braking system (ABS) on higher trims

Some models may have optional side airbags or anti-lock brakes, depending on the market and trim level.

Crash Ratings

While comprehensive crash test data from agencies like NHTSA or Euro NCAP are limited for this era, the Rio's safety is generally considered adequate for its class. Its robust frame and safety features contribute to occupant protection, but it lacks some of the advanced safety technologies

found in modern vehicles.

- Affordability: Both in purchase price and running costs
- Reliability: Proven engine options and durable components
